1.txt

Context: This is the second time police have entered the home of Harry Cooper, an innocent man, in pursuit of a suspect from a nearby bar. Police falsely believe the bar has to immediately provide security footage due to liquor license regulations. Harry is in his home with his family, not involved in the incident that prompted police arrival.

Speaker 1 (Victim): I'm just sitting at the bar. Okay, what did he even talk to him about? Did he have an argument with him? He punched me in the lips. He called me a chomo, started hitting me. He hit me twice in the lips. Yeah, what is he wearing? He's wearing a shirt called "lucky, lucky, lucky." He hit me in the lips two times, bang, bang, bang. He called me a chomo.

Speaker 2 (Officer 1): Okay, do me a favor, just hang out here. We're gonna go get him.

Speaker 1 (Victim): Okay, all right, we'll talk to him there.

Speaker 3 (Officer 2): I had this gentleman... I actually I dropped him off from a pharmacy. It's off the charts. So you're good.

Speaker 3 (Officer 2): Yeah, well, I know I'm not good, good, but she was amazed. So she's going to put me on a kind of like a... Oh yeah. I'm going to lose more weight.

Speaker 4 (Officer 3): You're going to lose a lot of weight off the pharmacy. It's a 90-day supply. She says I'll lose a lot of weight. She told me how to do it. Coming in the mail, \$30 a month. My insurance covers the rest. I'm not going to knock it. You're going to lose a lot of weight. Those shots were real. I actually had the shots last night. I don't know what the f*** I did. I did take my medication.

Speaker 3 (Officer 2): From the shots?

Speaker 4 (Officer 3): No, it's from my... When you take that and eat what you're not supposed to, it cleans your system. When did you get those shots started? A couple of weeks since she was here. She gave me my test results the other day, bro. I was like, is it normal to have all these veins showing up? She's like, you're just losing weight. I'm like, keep going. I'm about 260 right now. I want to get down to 220, bro. Then I'm going to take my shirt off.

Speaker 2 (Officer 1): Is he hiding?

Speaker 5 (Officer 4): No. They're upstairs talking. This is bartender like I said up there it's a private residence.

Speaker 5 (Officer 4): (To another officer, likely Officer Duran) Mexican officer asks, what is this?

Speaker 5 (Officer 4 - Pfeiffer): It's a private residence. She might be trying to cover for her. (Referring to the bartender)

Speaker 2 (Officer 1): Is this a tunnel?

Speaker 5 (Officer 4): No. There's a different apartment up here. How do you move your furniture?

Speaker 2 (Officer 1): Do we have anyone downstairs or no?

Speaker 2 (Officer 1): (To Officer Proctor) Officer Duran we always have a problem with this guy.

Speaker 5 (Officer 4 - Proctor): Yeah, I know. I've dealt with this guy before. Hey Pfeiffer do you have... do they have any video footage?

Speaker 5 (Officer 4 - Pfeiffer): (asks the bartender) She says, "I don't know," then makes comment that will just get the bar shut down for not letting us see it.

Speaker 5 (Officer 4 - Proctor): Yeah. We'll call the liquor board.

Speaker 2 (Officer 1 - Proctor): (To Officer John Wayne) Proctor asks, "John Wayne what are we doing? Are we doing?" Insinuating they need to take action. "Remember we had this standoff here?"

Speaker 5 (Officer 4): Yeah. We had a standoff. Me and Thomas had dealt with this for a f***g five hours. That door was closed. We didn't know if there was anything behind that. So we were searching. This guy was being an asshole again. Talking about Harry Cooper (the innocent victim), in both circumstances he had nothing to do with either case, was in his home with his family like how he always is. He wouldn't let it go. As soon as he heard us going up and getting a search warrant, he kicked him out and threw him outside. And this is a bold-faced lie, he's saying this because he's embarrassed because the suspect was right up those next stairs and he didn't find them, but his friend, his buddy, did. They're on my cartilage; this is the back area where I throw trash out of my house, right next to my back door, off-limits for anybody.

Speaker 2 (Officer 1 - Duran): (Asks about another officer) Harry asks if a certain officer is downstairs. Duran says, "Huh? I don't even know who the hell that is," being an asshole.

Speaker 5 (Officer 4 - Proctor): Yeah, it's Proctor, dude. That's who you're looking for. (Says this like he's big and bad and going to do something).

Speaker 6 (Officer 4 - Proctor): We don't need to give you that. We're not even talking to you.
(When Harry asks for their names and badge numbers)

Speaker 2 (Officer 1 - Proctor): What are you saying? (The guy, in his house, doing nothing not even part of this, says) get the f*** out of my house. (After telling them to call the sergeant to get the alert on my house cuz they've done this before and it says that they're not supposed to do this or bother me).

Speaker 6 (Officer 4 - Proctor): No. Your house is in there, so stop talking. This ain't your house.

Speaker 6 (Harry - Homeowner): Don't tell me to stop talking about my house.

Speaker 2 (Officer 1 - Pfeiffer): Hey, come on out here, Lucky. Come get your ticket real quick, so we can get out of here, bro. Nothing to say now, huh?

Speaker 6 (Harry - Homeowner): Nothing but your f*****g bitch. What's your name and badge number, bitch?

Speaker 5 (Officer 4 - Pfeiffer): It's Pfeiffer. Will you remember this, bro? Write this down real quick.

Speaker 6 (Harry - Homeowner): (Says he's recording) He doesn't have to remember, nobody's still that identifies himself.

Speaker 2 (Officer 1 - Pfeiffer): Okay, good. Well, come on out here and talk to us, bro. Why? Are you scared?

Speaker 6 (Harry - Homeowner): I scared none of you bitches.

Speaker 2 (Officer 1 - Pfeiffer): Come on out here, bro.

Speaker 6 (Harry - Homeowner): Get the fuck out of here.

Speaker 2 (Officer 1 - Pfeiffer): Are you the one that beat up that dude downstairs in the room?

Speaker 6 (Harry - Homeowner): No, bro. I ain't done shit.

Speaker 2 (Officer 1 - Pfeiffer): That's shady, bro. How you gonna beat somebody up and run? Come on, talk to the police at least. Come on.

Speaker 6 (Harry - Homeowner): Get out of here, bro.

Speaker 2 (Officer 1 - Pfeiffer): We ain't going nowhere. We're going to wait for you.

Speaker 6 (Harry - Homeowner): Wait for me for what?

Speaker 2 (Officer 1 - Pfeiffer): We're gonna get video footage.

Speaker 4 (Officer 3 - Proctor): We see you run up here, then.

Speaker 6 (Harry - Homeowner): Okay, in your f*****g lying.

Speaker 2 (Officer 1): Then we're looking at assault charges versus a ticket. What do you want, bro? Pick your poison. A ticket, if you did it, or you want charges. What do you want?

Speaker 6 (Harry - Homeowner): I'm a fg private citizen in my house, and I haven't been to a fg bar tonight.

Speaker 2 (Officer 1 - Proctor): Well, that's what we're checking, but you're sitting up here just yapping for no reason. We're not doing nothing.

Speaker 6 (Harry - Homeowner): Get the fuck out of my house.

Speaker 2 (Officer 1 - Proctor): This ain't your house. Your house is in there.

Speaker 2 (Officer 1 - Pfeiffer): And we were invited to come up in this back area by the bartender. This is a straight-up lie, the bartender told him like four or five times they were not allowed up here, it's private. So you take that up with her, bro.

Speaker 4 (Officer 3 - Proctor): I'm just yapping at us. You got any guns in there, bro?

Speaker 6 (Harry - Homeowner): Suck a dick, kid.

Speaker 2 (Officer 1 - Pfeiffer): Yeah, bro, why you so mean, bro? You're so rude. Come on out, bro. Yeah, man, let's talk face to face. Huh? Are you the one that hit that guy, or what, bro? Damn, bro, you're so ruthless. Just chill out, bro. Let's act like adults right now. I know that's hard for some, but anyhow, come on out and talk to us, bro. We have to go get a warrant and all that good stuff, bro.

Speaker 6 (Harry - Homeowner): Yes, get a warrant, that's what you supposed to do. Go get a warrant.

Speaker 2 (Officer 1 - Pfeiffer): You know your rights, right?

Speaker 6 (Harry - Homeowner): If you get a warrant, I'll let you in peacefully if you do that.

Speaker 2 (Officer 1 - Pfeiffer): You'll let us in peacefully? You don't want to waste our time is what you want to do, right? If you're the man, bro, if you're the man, you're getting county charges then. We're not playing. Okay. You're the one that hit that guy downstairs, bro?

Speaker 6 (Harry - Homeowner): It was your mom, I told you. Big old fat ugly bitch.

Speaker 2 (Officer 1): My mom's not alive, so you should feel bad, bro. You should go to church tomorrow.

Speaker 4 (Officer 3 - Proctor): Crazy how disrespectful you can be, bro. Yeah.

Speaker 6 (Harry - Homeowner): You're in my house disrespecting me just by your f*****g dumb presence. We told you to come on out, bro. Talk to us like a man so we can figure this out. But you want to play games and run your trap, bro? That's not cool.

Speaker 2 (Officer 1 - Duran): (Says they might not have access to cameras)

Speaker 3 (Officer 2 - Conway): They have to have access, remember?

Speaker 2 (Officer 1 - Pfeiffer): They don't have access, we're closing down the liquor. (Threatening if they don't give them the camera footage from the bar).

Speaker 6 (Harry - Homeowner): Lawsuit for what, bro? For doing our job?

Speaker 4 (Officer 3 - Proctor): From you? (Insinuating Harry can't sue them).

Speaker 2 (Officer 1 - Pfeiffer): I'll tell you who's one of the best attorneys in town, Cacilia, You probably couldn't afford him anyway. (Insinuating that Harry, the innocent guy in his house, is broke). Go ahead. Anyhow, whatever. Come on out, bro.

Speaker 2 (Officer 1 - Pfeiffer): So he ran up the stairs, bro, when we came and contacted him.

Speaker 6 (Harry - Homeowner): You guys are such lying bitches, man. It's all on video, bro. You don't realize these places, they have to have a liquor license, they gotta have cameras on everything, bro.

Speaker 6 (Harry - Homeowner): You guys are such lying bitches because there's no law that says that we have to let them have a camera unless they're doing a liquor inspection which I know they're looking for a suspect.

Speaker 2 (Officer 1 - Proctor): Okay, but the thing is, we're not saying you did nothing. We're trying to figure out if you're the person that did it.

Speaker 6 (Harry - Homeowner): I already told you my name and said get the f**k out of my house.

Speaker 2 (Officer 1 - Proctor): Well, that doesn't work for us, bro. I'm trying to see what you're wearing.

Speaker 6 (Harry - Homeowner): You neither do females because you're gay, fagot.

Speaker 2 (Officer 1 - Pfeiffer): I know. Whatever you want me to be, bro. Are you always that big bad behind the door, or what? What's going on?

Speaker 6 (Harry - Homeowner): Man, you take your badge off, I'll go out in the alley and beat the f*** out of you, bro.

Speaker 2 (Officer 1): For real? What do you look like?

Speaker 6 (Harry - Homeowner): For real, mutual combat, I'm down.

Speaker 2 (Officer 1 - Pfeiffer): Is that threats?

Speaker 6 (Harry - Homeowner): That's not a threat. It's an offer for mutual combat.

Speaker 2 (Officer 1 - Pfeiffer): Is that threatening on a peace officer? I don't know if I'd be able to, bro.

Speaker 6 (Harry - Homeowner): Mutual combat. Let's talk like men in the alley with no badge.

Speaker 2 (Officer 1 - Pfeiffer): Like I said, come on out face to face and let's talk like men, bro.

Speaker 6 (Harry - Homeowner): Yeah?

Speaker 2 (Officer 1): I can't do that. I kind of need my job. Yeah, well, I mean, I'm sure you...

Speaker 6 (Harry - Homeowner): I wouldn't tell nobody.

Speaker 2 (Officer 1): Yeah, I'm sure you wouldn't. Get your little camera out. Come on out, bro. You're wasting our time.

Speaker 6 (Harry - Homeowner): Straight up. You're wasting f*****g air, bro.

Speaker 2 (Officer 1 - Pfeiffer): Yeah, so are you. Talking. Talking all that nonsense, bro.

Speaker 2 (Officer 1 - Pfeiffer): Yeah, I'm just saying. We'll just wait. You didn't shut the door all the way, bro. Somebody kicked your door in already?

Speaker 6 (Harry - Homeowner): I mean, if you feel like you have a right to be here, why don't you come through that f****r? I mean, you're not welcome in here, bro. Go get a warrant. Come up here and search all you want. Stop trying to take my rights away, bro.

Speaker 2 (Officer 1 - Proctor): Stop taking your rights? I'm not taking your rights, bro. If we were trying to take your rights, bro, we would have went through the door. We haven't done

that one time. All we've done is try to talk to you. But you keep telling us to suck a dick and f**k you. You keep saying all this disrespectful stuff.

Speaker 6 (Harry - Homeowner): Go get a warrant.

Speaker 2 (Officer 1 - Proctor): Take your badge off and I'll beat you up.

Speaker 6 (Harry - Homeowner): Go get a warrant.

Speaker 2 (Officer 1 - Pfeiffer): Come on, bro. Quit trying to be a Google lawyer, man.

Speaker 6 (Harry - Homeowner): Go get a warrant, bro.

Speaker 2 (Officer 1 - Pfeiffer): You ever been to prison, bro? Because I know prisoners don't talk mad crap behind the doors like you, bro.

Speaker 7 (Officer 5 - Pfeiffer): I worked there. I know.

Speaker 6 (Harry - Homeowner): You're funny, bro.

Speaker 2 (Officer 1 - Pfeiffer): Those are the real homies. Yeah, you're supposed to be talking shit.

Speaker 6 (Harry - Homeowner): When you got a big ass gang and a f***g gun on you, like, what the fk?

Speaker 2 (Officer 1 - Pfeiffer): Come on, bro. Yeah. Keep on threatening, bro. We'll get a warrant to get you out of there, alright? It is illegal to be running your mouth threatening a cop, bro. You just threatened me, bro.

Speaker 4 (Officer 3 - Proctor): Were you calling for me? Because if you're calling for me, you can't hear anything you're saying. It's too loud.

Speaker 2 (Officer 1 - Pfeiffer): You hear that, bro? You're being too loud. We're trying to talk to our gang or whatever you call them. But anyhow...

Speaker 4 (Officer 3 - Proctor): Like on your end, it's too loud.

Speaker 2 (Officer 1 - Pfeiffer): Come on out, bro. We can figure this out. If you assaulted that guy down there, if you didn't, you're free to go.

Speaker 6 (Harry - Homeowner): If I assaulted him, he'd probably still be f*****g knocked out, bro.

Speaker 2 (Officer 1 - Pfeiffer): Are you a prize fighter or what? What's going on?

Speaker 4 (Officer 3 - Proctor): Okay. This guy's just... Running his mouth still. Running his mouth still to us.

Speaker 2 (Officer 1 - Pfeiffer): You playing with a pipe back there or what, bro? That's real chicken crap if it was you, bro. So let's say, for instance, it was you that assaulted that guy. If you didn't, then you're free to go.

Speaker 6 (Harry - Homeowner): You know it's them, not me.

Speaker 2 (Officer 1 - Pfeiffer): We don't know anything. What we know is a dude was assaulted downstairs. He swore that the guy's still in here. Nobody saw this guy leave, except for the bartender. Then you're running up the back stairs, bro. You guys all run up the back stairways.

Speaker 6 (Harry - Homeowner): Then you have exigent circumstances, and you can break down the door.

Speaker 4 (Officer 3 - Proctor): That's not how that works. Sorry, bud. You're not going to tell me what my...

Speaker 6 (Harry - Homeowner): You guys can break down all the doors. It's called hot pursuit.

Speaker 2 (Officer 1 - Pfeiffer): Get back on Google, bro.

Speaker 2 (Officer 1): Did you used to be a cop or what, bro? Hey, you used to be a cop?

Speaker 6 (Harry - Homeowner): Shit, bro, don't f*****g insult me like that, motherf*****r.

Speaker 2 (Officer 1 - Pfeiffer): I don't think you can make it, bro.

Speaker 4 (Officer 3 - Proctor): So what's your name? You said you told us what your name was.

Speaker 6 (Harry - Homeowner): My name is Harry Cooper. I live here. Yep, you know me. Know me.

Speaker 4 (Officer 3 - Proctor): I'll run him on three. How old are you?

Speaker 6 (Harry - Homeowner): F**k you.

Speaker 2 (Officer 1 - Pfeiffer): That's not an age, bro. Stop playing.

Speaker 6 (Harry - Homeowner): Go get a warrant. Here, drop right, bro. Stop trying to take my rights away. Why are you taking your rights, bro?

Speaker 2 (Officer 1 - Pfeiffer): Hey, do me a favor. Be quiet real quick so we can run you. See if you got any warrants.

Speaker 4 (Officer 3 - Proctor): Can you see if we... If you can clear a... Last name refers to... We don't have a date of birth, but it'll be at this address. What's your birthday? No answer? All right. Probably the only thing you can read is his address, bro.

Speaker 7 (Officer 5): Okay, well... It's a lot easier if we have your date of birth. The reason I asked. Okay.

Speaker 6 (Harry - Homeowner): I gave you my name willingly. I don't answer questions.

Speaker 2 (Officer 1 - Pfeiffer): Oh, my God, bro. Quit watching YouTube, man. At least open up the damn CRS book and learn the lulz. And the elements of the crimes. Knowingly, willingly. All that stuff, bro. Okay, yeah, you're guys is fg... Three months in fg... Cop camp f*****g make-you expert for sure.

Speaker 2 (Officer 1): Yeah, nobody said I was an expert, bro, but I know a little bit more than you. When you sound ridiculous, tell us what you think you know.

Speaker 6 (Harry - Homeowner): I'm not threatening a cop.

Speaker 4 (Officer 3 - Proctor): It's as simple as just respect.

Speaker 6 (Harry - Homeowner): I don't need to respect you.

Speaker 4 (Officer 3 - Proctor): You don't have to respect me, but I'm saying you go to anyone else on the street, do you just automatically start telling them to f**k you, suck your dick, all this shit? No, you don't. So what's the difference, because we're cops?

Speaker 4 (Officer 3 - Proctor): Go ahead.

Speaker 4 (Officer 3 - Proctor): Yeah. He's behind the door.

Speaker 2 (Officer 1 - Pfeiffer): Hey, how you doing? You live here?

Speaker 8 (Nephew): Yes. I just came to get my uncle.

Speaker 6 (Harry - Homeowner): Oh, that's my nephew. Ryan, get out of here, bro.

Speaker 2 (Officer 1 - Pfeiffer): Oh, they just hope... Oh, come get him if you can get him out. Thank you.

Speaker 2 (Officer 1 - Pfeiffer): Uh, 10-5 no. Oh, you're armed and dangerous, bro. Oh, you're armed and dangerous?

Speaker 6 (Harry - Homeowner): I mean, is that what they told you? That's what we heard. Better get a warrant before you come in.

Speaker 9 (Officer 6 - Dr. Proctor): 11 to 32, the nephew's walking back down. Yeah. All right. That's it. Very good.

Speaker 2 (Officer 1 - Pfeiffer): We're till late, bro. So look, you could be back down there for the next hour before last call, bro. We'd be out of your hair.

Speaker 6 (Harry - Homeowner): You guys out there being dumb as shit. Yeah.

Speaker 2 (Officer 1 - Pfeiffer): Why are you hiding behind the door? That's what I want to know. Did you assault that guy, bro? You don't want to go to jail?

Speaker 6 (Harry - Homeowner): I don't know. Your mom did, I told you that.

Speaker 2 (Officer 1 - Pfeiffer): That's not nice, man, stop. You wearing a lucky shirt? What, they knew I was in the video?

Speaker 6 (Harry - Homeowner): Yeah. Cool. I wonder if this is family owned. Is this family owned? Is it related to the bartender? He's going to cause them to get closed down for nothing? Trying to go coerce me.

Speaker 2 (Officer 1 - Pfeiffer): Harry, you good? Did you get a hard time downstairs?

Speaker 4 (Officer 3 - Proctor): I think it's this guy. Where he's supposed to be. (Body camera time 1:03:12, Proctor tries to open the door)

Speaker 10 (Officer 7 - Proctor): Eleven, go ahead. Spot right. Thank you. Can you email a picture to everyone? I'm seeing, please. (Picture to everyone on the scene please.)

Speaker 2 (Officer 1 - Pfeiffer): Said that's about right, huh?

Speaker 4 (Officer 3 - Proctor): We had a standoff with this guy. Really? Five hours. Same thing? I wasn't on the call. I know Marcus and Thomas were. They had to sit here and hold it. He ended up being right here.

Speaker 2 (Officer 1 - Pfeiffer): Oh. You alright? You need medical?

Speaker 6 (Harry - Homeowner): Why do you think I would need medical?

Speaker 2 (Officer 1 - Pfeiffer): I don't know, man. All that crap you were talking earlier.

Speaker 6 (Harry - Homeowner): I think you might have passed out. I might have passed out from talking crap, huh?

Speaker 4 (Officer 3 - Proctor): I don't know. Bro, etc. 11, go ahead. Oh really? That's a separate one. I thought you were going to call him in there. 13th door. Dang.

Speaker 2 (Officer 1 - Pfeiffer): Breaking stuff, man.

Speaker 4 (Officer 3 - Proctor): What did he call me? I don't know. Get back. 11-32. Hey, you know if both of these doors up here connect to the same apartment or are they separate? Yeah, he's talking to us through that black back door, but I hear movement in the door on the right side of the hallway, so I wasn't sure if those were the same room or not. Yeah, I think so, too. I just wanted to see if you knew. Thank you. Thank you. We can just confirm with Tim if he ain't going to come out. We can just write a warrant. Yeah. We already have a history of saying that to Tim. We know who he is. We can just write a warrant with him. Yeah. Leave it at that. No reason to push Jeopardy. Go in there. Save the video though. I'm going to go in there and push the warrant. (Proctor points out a "no trespassing" warning on the wall and a "keep out" writing on the wall.) He's also eavesdropping through the door with the zero next to it. Keep going. Type it. It's a shitty spot. It is. Right here. I got this one. So, do I have both of them? The back one and two? What's going on in here? Is that harder? Just don't hit me. (Here, pointing to his groin.) Just miss. That's him. He's dropping through the door. He's dropping through the door. He hears Harry talking on the phone to the bartender, saying that they better not show the camera. They came up here and asked for my name. Asked for my date of birth. Said you're not getting that. And then he said that. He told them he said that I'm armed and dangerous. And he started laughing. She's like, why would you think that? She said, why would they think that he's up there? He said, because they're fg idiots. I don't know. He was fg. Show us where he's at. We could have already left. Just to make sure he didn't run this way. I think he did. I think he can go out that way too. That opens. Is it an alley? Nope. Goes outside, right? It's a long path. Oh, there's a crack. I'm going to go in there. I didn't try to open your door. Stop being so mean. For what? For threatening? I'm not threatening you. And I haven't tried to open your door not one time. So, try again. We're just making sure you ain't here. It's that simple, dude. If I just took everyone's word, then nothing would be solved. I go up to a murderer and I ask him, "Hey, did you kill him?" "Nope." Alright, bye. Come on, dude, you're smarter than that. What reason do you have to be up here thinking that he's up here? We had witnesses that said that they saw the person that assaulted another person run through the back, and we know that this leads to back here. Nobody can get in here without a key, bro. Into your residence or into back here? Into my residence. I understand that. But we have to make sure that you are not the person or that the person that ran back here. What we have in check, we're checking. Bro, I've met you before. I know who you are. I know your face. But what I'm saying is we're waiting to look at video footage. Once we look at the video footage, if it ain't you, then it's cool. I think he said, "better not be showing video footage or I'll be fg pissed." Well, if she don't show the video footage, we're going to close this bad boy down, so. I think that's what he said. Sure he knows the state law, since he knows all the other laws. I like this ear piece, but fk it hurts. Super stiff. I'm not kidding. A year or so ago. I don't know how to f**g. It's like brand new. Yeah. Super. It's like not stretched out yet. It's so stiff. I'm going to try that in here, but it's 150 bucks. What is it? The one that goes in your ear. It doesn't block your hearing. You have both hearing, but it's like digital. Oh, really? Oh, like the Bluetooth? Yeah. Oh, I know what you're talking about. You know Maze has a Bluetooth earpiece?

[illegible]

Okay, here's the continuation of the transcript:

up there is me, Marcus, Thomas, Lyra, Chongwei, and Broom, and Dorian's going to the graduation. Who? Dorian's going to the graduation. This is his buddy, Peter. Oh. He's graduating. So he's going to that at one. So he was like, yeah, I'm going to head up after that. But I was like, dude, we're probably not going to be there. He's like, yeah, I think it's a two-hour drive from here. Well, probably, everyone will probably leave here at nine, get up there around 11. By the time Dorian would leave, he wouldn't even get there till 3:30. We'd already be there for four or five hours. It ain't worth it. So I told him it ain't worth it to go up. He said, "I'll go up by myself." "Don't be like that, dude." He's like, "If you just wait with me, will you just wait and I'll take you home?" I was like, dude, I don't want to be there like 10 hours. Plus, if I do win any money, the longer you sit there, you're just going to lose money because you want to play and play and play. You can't just sit there with money. It probably just burns. It just burned. It's the last paycheck on bills, bro. Man, I don't have no overtime or nothing. I think I have like \$60 worth of overtime. That ain't good. When's the next paycheck? December? I have a picture of the pay schedule. Even though CDOT would be nice. I got the car for two weeks now because, uh, they just stopped it. Last month, last month CDOT. Jordan's on vacation. But they do have the Christmas one, I think. Yeah, they have a couple of things coming up. Um, so this pay period ended on the 19th of October. That was the last check we got. This one, next one's from the 19th to the 16th. 19th, October, 16th, November. Yeah. And that'll go on December's paycheck? That'll go with the, or yeah, the beginning of November's pay, or the end of November. And then the last paycheck's from the 16th to the 14th. Yeah, I got plenty of opportunity to, two weeks, I got some overtime. Yeah, I got like 20 hours so far, 20, 30, 30 hours. That's why I don't mind staying on Monday because I'm planning on doing the big Monday thing. I'm gonna start on the 11th to 13th. Hope they cleared out already. Were you able to look at video? Cool. Okay. There's probably gonna be a third of calls pulled in again. Oh, some of them already did. Right, that's child neglect. And 11, just that one? Kid swallowed a TTC. But those are stupid. It's in Pueblo West. Kid lives in 11. It's like, cool. But it only gives you one number to call. And then whenever you call them, they're like, okay, can I get the information? Oh, she won't be here until tomorrow. So I got to reschedule it. And then watch one just fall out. And I'm like, yeah, I can't do, yeah, can't do nothing about it. And then I contacted him and they weren't available on that call. It's so quiet now. It's night. Just saying, I'll have to make a license poll, huh? Hey, Roger. Yeah, we're coming down. Yeah, we're coming.

Speaker 4 (Officer 3 - Proctor): Harry, you have a great night. All right. See you, bud. Love you.

Speaker 2 (Officer 1 - Pfeiffer): Drive safe when you drive, all right? See you. If you drive.

Speaker 4 (Officer 3 - Proctor): Love you, bud. Everybody love everybody. Stop being mean to us.

Speaker 2 (Officer 1 - Pfeiffer): Yeah, stop being mean, bro. It's about to be the holidays. Merry Christmas. And I know I'm gonna get all dirty and dusty. Okay. I feel like I've seen people driving around all night.

Speaker 2 (Officer 1 - Pfeiffer): So they ran out the back too.

Speaker 2 (Officer 1 - Pfeiffer): What's up, Sarge? What's up? Just had to listen to Harry for a little while. Oh, yeah? (Sergeant Scott) He doesn't want to come out? No. He didn't talk to us? (With a stupid little smirk)

Speaker 2 (Officer 1 - Pfeiffer): He just told us to take off our badges so we can fight him and stuff. He told me he's... What's up, Sarge, no, we just had to listen for a little while. He's not a very nice guy, but I said I kind of need my job. We're fagots and go f**k herself. Better than we did, that we needed a warrant to go get him, so, yeah. Alright, guys out or something. He... (Apply for) Ask the bartenders if I'm usually that mean to them. Oh. I thought I could eat my...

Speaker 4 (Officer 3 - Proctor): An officer Proctor says that he heard me say that he's going to be pissed off if they show him the video, and then the Mexican cop says, yeah, you heard everything he called down here, let's go talk to her and ask why we were showing the video. And then Proctor says he said if they show him the video he's going to be pissed, then the sergeant, Scott, says we're going to have to, cuz he thinks there is a law for bars that they have to show a video on demand. And then Duran says yeah, there is. He's going to call the City attorney and ask, we're going to send an email to Castro and soak, see if we can't do something about this, especially if you got the owner's son insulting someone in the bar, which I didn't even f*****g have anything to do with it. (Show picture.)

Speaker 11 (Officer Unknown): Hello, job.
