

IA/PSD Case System : Summary (Public)

An online complaint form was submitted regarding a robbery Ofc. Pfeifer, E. investigated alleging he failed to create/take a report because the complainant was unable to locate said report in the public police database (P2C). The investigator explained to the complainant this was not due to there not being a case report in existence, but rather it was restricted to public access because of the nature of the crime and its involvement of juveniles. He, the complainant was given the case # but was frustrated with a lack of follow-up. He mentioned his phone was stolen at a store in La Junta. The investigator informed him he would have an officer contact him with follow-up information. A CSO was assigned. The actions of Ofc. Pfeifer, E. have been exonerated due to the case in question having been created. [10/28/2024 11:26, [REDACTED] PPD]
