Dear Jenna Ingo,

I am following up regarding the status of my Colorado Criminal Justice Records Act (CCJRA) request, reference number CCJRA-2024-379. The required payment has already been submitted as per the invoice provided, and I would appreciate an update on the processing of my request.

Could you please provide an estimated timeframe for when I can expect to receive the records? If there is any further information or action needed from my end, please let me know.

Thank you for your attention to this matter.

Best regards,

On 11/4/2024, the City received a CCJRA request form from you pursuant to the Colorado Criminal Justice Records Act ("CCJRA").

Assembling these public records required a physical and electronic search. The search for, review, and redaction of criminal justice records in compliance with C.R.S. § 24-72-301 et seq is required. Pursuant to Pueblo City Council Resolution 14455 and C.R.S. §24-72-205, the City of Pueblo charges \$41.37 per hour for the staff time required and other standardized fees to provide records pursuant to a CCJRA request. Attached is a cost estimate. If you wish to move forward, click the link [Request Number: CCJRA-2024-379](#) to make a payment. Once the payment has been verified the CCJRA request will move forward. Payment can also be made in person by visiting the Pueblo Police Department at [200 S. Main Street](#) during normal business hours of 8:00AM to 5:00PM.

The attached invoice is an estimation of the research and preparation required to satisfy your request. If actual time should significantly exceed deposited amount, additional fees will be required prior to the release of materials. Likewise, if actual time is significantly less than the quoted amount, an appropriate refund will be issued.

If no correspondence is received in 10 business days, your request will be considered abandoned.

PLEASE NOTE:

The following materials will be prepared based on your request:

- Call for service related to Pueblo PD Incident # 24019623
- Premise history for [112 W 7th St](#), last 3 years
- Body-worn camera related to Pueblo PD Incident # 24019623. Per CRS 24-31-902, this will be provided within 21 days of the date of request (11/25/2024) at no charge.

The incident report is in an active/open investigative status and is not publicly available, at this time. If - prior to completing the preparation of body-worn camera - protecting the integrity of the investigation no longer outweighs the interest in disclosure, an updated invoice will be prepared.

Some of the materials requested fall under CORA (i.e. employment history, emails). If you have not done so already, please additionally submit a [CORA request](#) so it may be processed appropriately. The deadline of three (3) days does not apply to the records being

prepared pursuant to this **Colorado Criminal Justice Records Act (CCJRA)** request.

Thank you,
