

**IA/PSD Case System : Summary (Public)**

---

Officers Markarian & [REDACTED] were dispatched to a disturbance. One party later complained via SPIDR Tech that she was cited because she is black. However, investigation determined both parties were at fault equally and both were cited, therefore bias was not shown. BWC showed officers were professional and treated all involved equally. Therefore, this complaint has been deemed unfounded. [09/06/2024 15:32, [REDACTED] PPD]
