On November 11, 2021, at approximately 2230 hours, I, Officer Albaugh, was dispatched to 112 W 7th St, which is in the county and city of Pueblo, Colorado. I was dispatched to this address for a car fire.

On arrival, Fire Engine 31 was still on the scene waiting for us to show up. They stated the call came out around 2151 hours and they responded a few minutes thereafter. The vehicle, a 2001 White Ford Escape (1FMYU04B01KF56989) was completely engulfed in flames on the inside. After the fire was extinguished, a man came outside and identified himself to the fire department as Harry Cooper, he told them he lives above the 7th St Station Bar. He told them that he saw a female go inside his vehicle through the back drivers door. A few minutes later she left and then his vehicle was on fire. Engine 31 did not say whether or not they thought this was arson.

I walked around the front side of the building and into the bar. I asked the bartender if they saw anything that happened with the fire and was told no. I asked if they had any cameras located behind their bar and was told no. Next, I walked back outside, looking at the front of the building, there was a door to the right that went upstairs to a common area for 3 apartments. Standing at the top of the stairs, there was a female who did not identify herself but told me she was the girlfriend of Harry. I asked to speak to Harry and was told that he left. She called Harry and asked him to come back and speak with us. I told this female I would just wait outside in front of the building for him to return.

I went outside and a male walked up to me who seemed angry. He asked me who gave me permission to go inside. I asked him who he was and he told me that he was Harry, he was the owner of the car that was on fire. He again asked me why I went upstairs without his permission, I tried to explain to him that I was here to investigate his vehicle. I told him that the door was unlocked, and the stairs went to a common place shared by the tenants. I told him that I did not go into his apartment room just into the common area looking for him to make a report.

Harry would not let me explain anything to him without interrupting and yelling at me. I asked him a few times if he would like me to help him and he finally told me no.

[REDACTED]

Since Harry was less than cooperative with me, very little information was obtained on this investigation.

A-1 towing was dispatched to our address and towed this vehicle to their tow yard.

Officer Gonzales took pictures of the burned vehicle and uploaded them to this report.

This is a summary of my investigation.
