On September 13, 2023, at approximately 2312 hours I, Officer M. Duran was dispatched to 713-½ E Arroyo Ave in the City and County of Pueblo Colorado on reports of a domestic fight with weapons.

Dispatch notes indicated the reporting party who was later identified as [REDACTED] CRS 24-72-303(4)(b)(II) stated her ex-boyfriend who she identified as Michael Crites DOB: 2/29/1984 assaulted her earlier and keeps driving in the area in his 1992 Ford Taurus. [REDACTED] stated he came back and came inside using the house key.

I contacted [REDACTED] by phone and asked her if Michael was still at the residence, she informed me he just left approximately 5 minutes before we called. I asked [REDACTED] if she knows where he might go, and she informed me he would go to wither his mother's house or the 7th street bar. I asked [REDACTED] if she had a phone number for Michael and which she gave me his number. Officers called the number, and someone picked up and you can hear in the background music and people talking.

Officers made the decision to go check the 7th street bar due to the noise we heard on the phone. Officers arrived at the 7th street bar and observed Michaels 1992 Ford Taurus parked on the eastside of the building. Officer T. McLallen informed me while he was driving up to the bar, he observed a male see us and immediately go inside the bar.

Officers conducted a bar check and while conducting the bar check Officer T. McLallen saw a male party in the back that appeared to match Michael description the male party saw Officer T. McLallen and started to run up the stairs. Officer T. McLallen and I made are way up the stairs but stopped at the top due to there being a door what appeared to be shut and for Officer safety reasons. Officers started to give commands to Michael to come out but there was no response.

While waiting at the bottom of the stairs Officers were in contact with a male party [REDACTED] CRS 24-72-303(4)(b)(II) who was talking to us and informing us Michael was not up here. After an extended period, I heard a male party say they're getting a search warrant and you have been in here this whole time and heard a loud bang. After approximately 30 plus minutes Officer C. Medina and I walked up the stairs and pushed the door open and observed Michael laying on the ground.

Michael was taken into custody without incident and transported to the Pueblo County Jail where he was processed.

This is the summary of my investigation.

On 9/12/2023 at approximately 2312 hours, I, Officer T. McLallen was dispatched to 713 ½ Arroyo Ave. in the City and County of Pueblo and State of Colorado on the report of a domestic fight.

Prior to our arrival the dispatch notes indicated that a female called and stated that a male returned back to this location after he previously held a knife to her throat today. The dispatch notes stated that the male party was Michael Crites (DOB 2/29/1984) and he had 3 active warrants for his arrest CRS 24-72-305(5) – Intelligence

Ofc Duran spoke to the reporting party who was identified as CRS 24-72-303(4)(b)(II). [REDACTED] stated that Michael was at this location but left approximately 5 minutes prior to Ofc. Duran calling. [REDACTED] explained that Michael frequents the 7th Street Station bar (112 W 7th St.). [REDACTED] also stated that Michael drove an older model Ford Taurus. I called number on a phone number provided by [REDACTED] and someone picked up the phone but did not speak and I heard what sounded like music in the background. Based on what [REDACTED] stated about Michael going to the 7th Street Station, we went to this location. On the east side of the building in the parking lot was a 1992 Silver in color Ford Taurus. I spoke to the registered owner who lives at 719 E Arroyo Ave. who stated that his neighbor had take the vehicle, but he did not know to where. I asked the owner who his neighbor is, and he stated his name is "Tanner". It should be noted that Michael has a middle name of Tanner.

Officers did a check of the bar and did not initially locate Michael but when we went into a back hallway from the kitchen, I observed a male who was peeking from behind a staircase. The male only had the top half of his face visible and based on the photo I observed CRS 24-72-305(5) – of Michael, I believed it to be Michael who was in the hallway. I gave verbal commands for him to show me his hands and he immediately ran up the stairs. At the time, I was in a narrow hallway, and I did not know what was on the other side, I did not run after the male. Ofc. Duran and I cleared the area ahead and once we got to the top of the stairs, there was a landing with a white door which did not allow us to see into what was beyond the landing. Again, due to officers not knowing what was up the stairs, we did not push past the door and instead gave verbal commands from the stairs.

A male voice answered our verbal commands and explained that above the bar was private property and we did not have permission to enter. I was informed by Pueblo Police Dispatch that a male was calling in from this location saying that officers were trespassing on his property. I spoke to the male and asked if he was Michael, to which he replied his name was Harry. I asked dispatch if we had any history at this location with a Harry party and they told me that we had history with a CRS 24-72-303(4)(b)(II) CRS 24-72-305(5) – Intelligence

I continued to give verbal commands to [REDACTED] to have Michael come down. [REDACTED] continued to say that Michael was not at this location and we needed to get a warrant. I advised [REDACTED] that and Officer was getting ready to author a search warrant. Shortly after this, a male was heard yelling that he needed to get out and he did not know that they were inside followed by a loud bang.

I went outside to speak with Ofc. Chavez about the male I saw in the hallway and I was informed that officers inside this location had taken Michael into custody.

I transported Michael to PCDC to be booked in on his warrants as well as new charges. While at PCDC, I took photos of Michael to document the injuries he reported to Ofc. Chavez. I observed a small group of small red dots on the right side of Michaels lower stomach where he stated he was stabbed. I also observed a red mark that appeared to be a rash of some kind on the left side of his stomach [REDACTED] CRS 24-72-305(5) - Privacy/Medical [REDACTED]. The photos taken will be uploaded to this case in RMS.

This report has been a summary of my involvement in this investigation.
