Okay. I don't know what you're smoking or what you're thinking, but no guy tall bald here came in this far. Been here since 5:00.

I'm not being rude to you. So, I appreciate if you weren't rude to me, but it messes with my business. I have a job to do and I'm sitting here.

Well, we also have a job to do.

I told him Those are the tunnels that are caved in. Oh, okay.

Yeah. Anyway, if I can't get through that And those go those go upstairs to the apartments or do they stop at the bar? That's the tunnel. Those aren't stairs. That's the tunnel.

It's the tunnel that runs around downtown.

Definitely stairs. Oh, sorry.

Anywhere else?

Nope. Thank you. You're welcome.

Appreciate it. Heat. Heat. Hello. Does that go outside?

Does that go outside?

Where does that door go?

It goes down.

And the door lock.

Well, we're going to try.

Would you like me to open it for you? The door?

I think I can do it. Thank you. Hey, show me your hands. Show me your hands. He just went upstairs. Michael, show me your hands. Hey, Cole. Hold up. Michael, it's the police department. Come out with your hands up. Do it now.

Hey, so he ran up here and blocked himself in Go ahead.

Yeah. We came in through the kitchen.

He took off over here as soon as he saw us. Okay, hold up there for now. We're going to go check outside. Make sure there's no exits from the outside.

Okay. Yeah, I don't need it.

You saw?

Yeah, it was him.

I didn't see his his beard, but I saw the facial hair around it and he took off as soon as he saw us. Switch me. Come on. I'm not. Michael, just come out there. Hands up, buddy. Don't make this harder on yourself. Come on out, buddy. Just get this over with. We already saw you. Either you come out now or we get a search warrant and find whatever else is in there. It's up to you. Michael, don't make this harder on yourself, pal. We're not going anywhere, buddy. You know what I should do? Is kick everybody out of the box and just keep this keep the whole thing shut down. Michael, Michael, come. Come on, man. Come out with your hands up. The gig is up. We know where you are. I don't want to What? We're holding these stairs that go up to the complex upstairs. Uh, not too sure. We're still on the stairs. Is that you guys knocking? There's a review upstairs. Hey, move the fridge. Michael, this is the police department. Come out with your hands up, buddy. Michael, we're not leaving. We don't want to hurt you. Just come out. 431. Okay. Can you see if they'll come open the door? So where did he

So this like way right under here I saw him peeking out right there. I saw from like his nose up and then I saw a picture around here and it looked like his like eyes and nose but I didn't see the whole beard and I I don't know if he's still got a whole beard. 31. Can you tell him that we're not leaving? Which door?

I didn't see what door.

Oh, yeah. I I heard these stairs. I had these stairs, buddy.

There's no other way to get up there.

So, he said, "You got Come on, Michael. Get out." Who's This is a private residence after that. Do you remember the name that the vehic Get back and see if she knows.

Okay, Michael, this is the police department. Come out with your hands up. We're not leaving, buddy.

If it's not Michael, you can just come out and tell us and we'll leave. Yeah. So, it's like this whole thing right here. So, back. Okay. I'm calling Okay.

Yeah.

City dispatch, this is Rebecca. How can I help you?

Hey, it's 4:31.

Hey, I'll get you connected. Hang on. Okay.

Okay. You're going to go with an officer.

How's it going? This is Officer MLA. Yes.

Hi. Are you uh

Why are you guys in my house right now?

What's that?

Then why are you in my house right now?

We're actually just at the Seventh Street bar.

No, no, the upstairs is a private private um domain. It's not part of the bar.

Okay. Who am I speaking with?

This is Harry.

Harry, is it Michael up there?

I don't I don't know who Michael is. There's been nobody up here. I haven't checked my motion sensor on my camera that the front door. Nobody came up here.

Okay. How come you're not saying

nobody came up here? I mean,

how come you're not saying that though? What's that?

How come you're not saying that it's not Michael? Cuz we've been trying to talk to you through the door and you're just not answering. Well, I can vaguely hear you guys. You're not talking very loud, but I mean

Okay, so here's the deal.

Conversate with the cop that's breaking breaking into my house right now. You know what I mean?

So, here's the deal. Harry, um, we're looking for Michael and I watched Michael run up the stairs and come up here. So, until we can confirm that he's not up here, we're not leaving. Um, if if you would

Well, if that was true, you'd have busted the door cuz if you're in hot pursuit, you have the authority to come into this house and you didn't. So, obviously, you're making s*** up right now. I I'm not. Um for safety reasons, we didn't bust the door down.

Did you notice how we didn't break into your door, though?

I did notice that. That's why I know that you're not pursuit of anybody. You're using this for a pretext to come and f*** with me like you guys usually f***** do. So, so here's the deal. We saw him go up there. Um and if we have to get a warrant, we can do that. It'll just take a lot longer. Um if he's really not up there, I'll be my guest. Get a warrant. Just get out of my area, please.

So, if we have to get a warrant, we'll be here for at least 4 or 5 hours.

Here, I'll definitely send you nice and bloody.

Okay. Like I said, if if we're going to get a search warrant, it'll be about 4 or 5 hours that we're still here. Um, if you just let us search, then then we'll leave. We don't care about anything else in your house. Just just about finding Michael. And if he's not up there, then in and out. 5 minutes.

Yeah. Yeah. No, I don't I don't understand. his head. So, absolutely not.

Okay. So, so it's just you up there.

Yeah.

What kind of a question is that?

Is it just you upstairs, Harry?

I don't answer those kind of questions, man.

Hey, is Michael up there with you?

No, I could answer that question. Absolutely not. I don't even know. I don't even know Michael.

Well, then if that's the case, Can we just come check?

Well, no, you're not going to come check. You get a warrant, then I'll have to let you in as soon as I see you that paper. But

okay. So, like I said, if if that's the case, then we'll be here for 5 hours at minimum.

Um,

so if if you just let us get We're going to let you guys have cost. I mean, I'm not hiding anything, man. I'm just with you guys. b*****. That's all.

So, we need a

we need probable cause to get a search warrant. So, we do have it. It's just we're not going to go in there.

If you if you let us

Well, I'm just asking you nicely. You can you can let us look.

I've already said no like 10 times. Absolutely not. That's not going to change.

Okay, sounds good. Well, uh I'll hang up the phone with you and then we'll get started on the start. Okay.

Okay. Thank you, buddy.

First and three warrants.

At least one of them. So I see how it goes. 4:30. Do we have any history with a male party named Harry that might area.

Did she say she knew anybody?

She's in Bob.

I don't think she's at area. She's like a 21 year old girl. Lexi, how many apartments?

She said she doesn't know. She's never been up here.

Oh, she's like, "Oh, that door back door open." I was like, "All right, we're going to check." And then soon open. check.

Um, we can just go and then we're going to give her a ticket anyways.

I think it's it shuts this way because that hinge is right there. Good. Thank you.

Do we have a bigger one by now? know what it's up to the what

you think now that they know what it's up to they'll be more willing had a f***** camera.

I can go back my Okay, we'll get some further. So, did warrant. He was he said he was reviewing these body cams. Make sure he checks off and then he goes um let me run down there talk to him. I can help you.

Keep announcing Harry, just come on out, buddy.

Once we get Michael, we'll leave. Michael, don't get your friends hemmed up for stuff you did. Michael, it's public police. We're not leaving. Come out. Make this easy on everybody. Cooper having just This is really easy. You literally copy and paste your jeans after references warrants and then we'll have check um officers located back hallway. They saw heat. Yeah, it's more Michael just come down. Make this easy on everybody else. No, you're up there. We're not leaving. Michael, if we have to get a search warrant, we're going to find everything. Just come out now. Go get everybody else hemmed up. Yeah, these cars here are taped up. God, that girl's f***** rude for no reason.

Well, yeah, I guess for a reason, but she's like, "Anyone else you want to check?"

Yeah, upstairs.

And you hear me? She's like, "That door lock." Okay, we're going to check. Yeah. Oh my goodness. What? Michael, it's a public police come down now before you have to get a search war and search the whole premise. Michael, come on out, buddy. We're not leaving. Oh yeah. And then not only that, but we have everything. It's okay. We have water to check yourself through the house. Game over.

Yeah. The only issue, we don't know the rooms or anything. We don't even know if you can f***** get out. Oh, is that who they're dealing with?

What's that?

Better know what she's at. He used to know where he was like that hallway is. He was like he had his head peaked around like this and then as soon as he saw me f***** and then so bad two nights in a row Michael, come out with your hands up so we can ensure your safety. Michael, this is the PBLO Police Department. You only have a couple warrants, man. Just get them taken care of. We have to get a warrant. Everybody's in trouble. Just be a man and get your stuff taken care of. Bust.

Come on, Michael. We're not leaving. Nice little wedge right there. Bro 431.

Can you try and get that Harry Potter back on the line for me, please, and I'll call it.

Michael, this is the police department. Come out with your hands. up so we can ensure your safety.

That feels like Yeah.

This is Rebecca. How can I help you?

Hey, it's 431.

Hey, I'll get you connected. Just so you know, I'm a female answer. time and then the phone.

Okay, perfect. Thank you.

Okay, Mary, you're connected.

Hi, Mr. Cooper.

Hey, there's Officer Mlen again.

Hey, so look, I I get wanting to protect your your people and stuff, but if you could just send him down, man, we'll leave. people in your own f*****

huh f*** you. Michael, it's a public police department. Come out with your hands up so we can ensure your safety. What is I'm going to call her.

That's Hi, this is Austin with the photo department. I know you've been speaking to my partner, Officer Duran.

Yes.

Yeah. So, we are um at the seventh street I'm sure you're aware. Um, and I'm I'm just wondering if you know

who else would be upstairs.

Oh, wait.

Um, no. Just Harry. Probably Billy. Maybe Harry, son, Lexi. Like I said, if you inside the bar, there's a staircase that goes upstairs. That the complex upstairs. Yeah. Okay. Right.

And you said his daughter name is what? And she's definitely here, too. I go the public department.

You said it.

Come with your hands up and ensure your safety.

Did you guys open this back door?

Yeah, we did.

Okay, I'll leave it open.

Okay. Yeah. Well, it sounds like we're going to have to probably get a warrant. So, Awesome. Well, thank you so much. I appreciate it. What was your name? I'm sorry I didn't catch it. Brandy, thank you so much. Oh, there's other people.

Huh? People present. Just for just anybody else. I wrote a word for it.

Nope.

You just want to hang off for us?

Where?

He told me to come up now.

Who did?

Uh Harry.

All right. Well, Harry

just now Yeah.

Okay. We're kind of in the middle of something. What did he need? No. Hold on. Hold on.

You're good. I'm right here.

I'm going to go talk to him down here.

We'll come talk down here.

The key for that. He wanted the key for that door.

Does he want us to go in?

He said give that to Harry.

Who did?

Uh they just called down to the bar. Whoever it was, we can hear you.

Okay, I'll just go back down to the bar. I'll meet you. Come out with your hands up so we can ensure your safety. Hold. Can you hold a hold up?

No. Just put the light audio. Harry, I got the keys for you, buddy. Your friend just came and gave me the keys. Said to give them to you. You want to come open the door? I'll give you the keys. He's not ridiculous. He knows that they're getting spotted, so he moving all the stuff around. You can hear him. Yeah. Should I go see this? You know, Hello.

Can I talk to you real quick?

Yeah.

Huh? Who's up there? Up there. There's literally no one.

The daughter doesn't live up there.

Yeah.

Adorable, huh?

Someone though.
That's someone.
No, I'm saying that's someone else that lives
Oh, yeah. Yeah. Yeah.
Okay. What does he look like? Harry.
Uh, checker doggy guy.
Does he come down here often?
Yeah.
Yeah.
And his buddy, too.
Yeah. I don't know. Michael. Yeah. I don't know. Michael.
So, what I mean, even when you guys came up, you
So, I saw him, right?
Okay. I don't know who I really don't know who,
right? Well, I'm just saying though. I saw him
and I I get
How did he call you just now?
Uh, he called on the bar.
So, Alexis is up there.
Yeah.
Y and Billy
and Michael.
No, there's no Michael.
So, here's the deal. We're going to get a search warrant to go up there. Um, I tried
telling them we're getting a search warrant. We literally have an officer sitting outside
working on a search warrant.
All all the guns and drugs and stuff up there. We're going to get it, too. And they're all
getting charged. If they just send Michael down, dude, that's all we care about. Dude,
that's weird. There's no name.
So, his Michael's car is literally out front. I mean, I can I I'll go up there and look.
Well, no, cuz we're not Nobody Nobody's going up there. Nobody's going down there because
I don't know what this key is for.
See, this uh this lefty she called. I'll call her right back.
Okay. Yeah. See what what's up with her. What she wants.
What did she say? Hello.
Hey. Uh, here with the officer. It's uh Michael up there or
whoever the hell that is.
Lexi.
Hello,
Lexi. My name's Officer Mlen with the police department. Look, so we we're literally
working on a search warrant right now and we're going to find everything that's in that
apartment upstairs. Okay. And It's in yours and your dad's best interest. If you just send
Michael down, right?
I don't know anything about that.
Okay. So, if you just if you guys are going to keep pushing this like you don't know
anything, it's only going to hurt yourselves and everybody here because the bar could get
shut down for it. I mean, it's just it's a bad situation for everybody. Can you just send
him out or are you guys just going to keep waiting until we get the search warrant?
I mean, it's really up to you.
I don't know anything about that. I got off of work and cut my b*****. That's the only
thing I did.
Sorry.
I would just hate for this whole place to get shut down, you know.
I appreciate it, Lexi.
Get ready to die again.
Yeah, no worries. What was your number?
Uh 719
here. Just hit the call button
53
9344140. Okay.

Thank you.

All right, man. I appreciate it.

All right. Not a problem.

If they call you again or anything, just let us know

cuz it would suck to get the bar shut down for something so silly. like it's just too goes

and too. Hello.

It is I'm sorry.

Hello. Okay. All right. I will uh I'll give you a call back here in just a minute. We're

still trying to get them to come out and then I'll I'll finish taking all that. Okay. Yep.

Thank you, Randy. Bye. You see that noise?

Just now? Yeah. No, I didn't. Michael, you can hear closing doors. Come out with your

hands up if you're concerned safety.

Well, there's one for the I just want to make sure that's

I have to go look at my email real quick on my work.

So, gone up to the balancer and what came up. Harry asked me to give these to him for you

to go upstairs. Yeah. Like I'll take them. Okay. And then I talked to Lexi who's also

called Lexi.

Uhhuh.

Harry's daughter. And um like really had all the drugs and all the guns upstairs. We get a

bar shut down everything taken. Everybody gets in charge. She goes don't have to be like

don't look like it. Just like like said I only saw him up from his nose up. Yeah, it looks

like that one.

That's his DR.

Yeah, that's what it looked like from his nose up and then like I saw the hair on the

side. Yeah. All right. So, it's the public police department. Come out with your hands up

so we can ensure your safety. What's he doing? What's that? What's he doing? Is he doing

the circle? Yeah. Yeah. So the bartender came back here. She was like, "Did you guys open

this door? Yeah.

She told you that door lock. It didn't open.

She told me.

Say that again. Once you said it was locked, it was going to open it. It didn't open. And

I said, "All right, we're going to check." And it sw. And then I'm pretty sure Lexi, the

girl that I talked to, was the one that told me that she doesn't answer questions right

here. The one that like cutting the lines.

Yeah, cuz she told me she's like, "Oh, I I don't know. I just got off work. Cut

vegetables."

Well, how'd she get up here now?

That I don't know.

So, I don't even know if she's up here.

Is that up here? Door.

Say that again.

That front door in the front.

It's you can get middle door. You can go upstairs. Get up.

No, I know. But nobody's not Eugene and Carlos have been in front. I

It's probably I don't think there may be different girl there. Michael Smoke Police

Department. Come out with your hands up to make sure you're safer to use a restroom.

I'm sorry.

It's only blowing in there. I can't hear anything with it. That's what happens when you

get old. You can't hear s***.

Huh?

That's what happens. And how's this place like still together? It's like all rusted,

falling apart there. Everything is like soaked. Can you see this up? Guarantee it's not up

to code. I don't even know what would be the best way to get in there.

Just through the door right in front of you.

Look through that. There's a doorway through that crack right there to your right. You see

it? Like a Harry Potter door or something? A Harry Potter door. They're right here.

Hiding their dope. Uh, this building don't connect any other buildings. Correct.

That I know of. No. But it's like a maze.

Yeah. When she when I was downstairs and I went in that door and she like all the stairs.

That's a ton. Yeah, I was looking at a set of stairs. And I mean, they look like a little

worn, but you could definitely use the stairs. So, I don't know. I mean, I I probably couldn't fit through there with my gear.

What was it tight?

The doorway, we can hear you. The hallway was tight.

Your hands up. to ensure your safety. We're not leaving.

But the stairway was like a normal stairway.

Well, you figured that would at least have to come up at least into the bar somewhere

or into the the apartments. Where'd you see the door? Should we empty the bar?

So, I talked to Sunny about that.

Because I I don't think there's no other access for him to get in from the bar. He said they're fine. They're only going to be open for Another 40ish minutes and Eugene didn't start any of it yet. So, it's going to be a minute. Yeah. Michael, it's a PO Police Department. Got the whole building surrounded. Come out with your hands up so we can ensure your safety. When it gets to that point, somebody will come and you can go talk to um Eugene.

Okay. Everything on this end.

Gotcha.

Did uh do we have a phone?

It's off. It's off.

Yeah. I tried calling her before he came inside and it is off.

Please leave your message for

So this looks like dead space between the first Now we're going to I'm pretty sure it's not Where is this door? So, this would be the back of that. or was it unlocked and then locked or I didn't even check it see that gap This is probably the exterior that they added all this. That's door one that's open. said that we're going to wait for one more to talk to you.

No, I'll send somebody back here when he gets to that point in his report where he needs to know you.

Yeah.

Either I or I'll send somebody in here with Marcus.

Okay. It's not even nailed stapled. So a Billy Billy Harry Alexis And then like it's who Brandy the victim said here. And then I asked the guy that gave me the keys and he's like, "Yeah, Harry, Billy, and Alexis are up there. You know what that is? Sound f***** brick. You shoot right now. So stupid. Michael, this the PBLO Police Department. We know you're in there. We're not leaving. Come out with your hands up. Michael, we know you're in there. Just come out. I'll go get Stop. Well, you don't have to unlock it for us. We're just going to go in.

No resistance for me. Do you hear? So, don't shoot me like you want to. I know you do.

Nobody wants to hurt anybody. All we want is Michael.

Y'all are pieces of s***.

Why don't you just let us come get Michael and we'll leave.

Oh, we're coming in with the warrant. So, Well, you won't need to comply cuz we'll come in anyways.

What?

Okay.

No need to put Alexis in the middle of this.

You're the one getting her hemmed up and All your drama. I'm the f*** out of you.

No. No.

He hasn't called back down or nothing.

No.

Okay. There was a disturbance up there sounding like they were fighting. Um he was yelling at Michael for being in his house and didn't want the SWAT team to show up. So, Does it know if they'd call you or

Yeah. No, they would call him down here. I would imagine.

So, his real name is Well, his real name is Michael Tann, right? Is that who we're talking about? Okay.

Yep.

Now, I know who you're talking about.

Yeah. And he is up there.

I don't know if he's up there, but I did see him around this area this time. Yes.

Yeah. Yeah. So,

so I'm sorry with you.

So, we're just at this point it's kind of the girls up there, you know. I mean, they up where

And that's your dad?

Okay. So, what was that little scuffle about up there?

Did you go up there?

She was back here,

right? No, I know. But we were just talking to your dad

and he was yelling at Michael or Tanner. And he's like, when we talked to him again, he was like, "Yeah, Alexa said that he was up here." And I kicked in a door. What's that?

Oh, okay.

Right.

Yeah. 11:15, 11:20.

Came home, came down here, cut my

Does Billy stay up there, too?

Yeah. All right. Well, we're just at this point, we're just waiting for a search warrant.

Um, and then once that's signed, then it'll essentially be the SWAT team that will come out and do their thing. So, just so you guys are aware, um, you guys will probably be taken off by then. Or do you you guys don't live in the building, do you?

I love

Do you live in the building?

Yeah.

All right. Well, sorry you guys can't go upstairs. I apologize. But do right.

Yep.

So, is it just for upstairs or is it for the bar?

It would be the bar because that's the only way that they can get in.

Okay.

So, they'd have to block off the bar, this entrance, all the back entrances. And if you can call him and just have him come out, I mean, we can really avoid all this. Cuz look, I'm not I'm not trying to be an ass. I'm really not.

Call who? Her dad

or Yeah.

No, none of us know Tanner's number.

No. Yeah. Yeah. That That's what I meant. Not Not

I like if I would I'll f***** If I can go up there, I'll f***** pull down here myself cuz uh

I'll f***** drag him off by his

I don't

I was telling him if we can just go up there and look and he is cool with just letting us look, then we don't give a s*** about whatever else is up there, right? But if we get a

search warrant, then everything up there is now fair game and it's up for charges.

So, if you guys can be of any help, I would appreciate you Randy.

Oh, yeah.

And uh he's got hella warrants, too. So, does he?

Yeah. So, it's literally if we can just get him, we'll leave. It's And it's the end of that.

I told him straight to his face that you guys did back to us that he probably went outside and then when I you know,

and then and yeah, when So, I know what time you're talking about.

I didn't know his name was Michael. I know him as

And then as Cuz as soon as it was right after he went outside and then you walked over here that he dipped back in here and I watched him.

Yeah, cuz I told him if it was if you guys were here, forget me, get the f*** out.

Yep. And we are. So, no. I have no idea. Um I think um I think S said it might lead into different apartments or something else, but I'm not too sure if it's multiple or just a one.

Yep. Thank go She's down there.

They're still here. What they're doing? Yeah, we'll hang on to it for now. We're talking to him still. through the door. There's the first one that you try to call Yeah. They're walking the alley. They're walking the street. Everything. I don't I didn't know that. And I told him to And I f***** what's your name? Tanner. What's your f***** name? Tanner. I was like, "All right." And so I went outside and we f***** upstairs, I guess.

It's cool if I use that bathroom, man.

Cool. If I use the bathroom.

Oh, yeah.

Yeah, you can use the bathroom. Heat. Heat. So that was Michael cuz She saw us pull up and she goes like and he's like no. She like what's your name? He goes Tanner. And she goes like I know who's Tanner. And then she like what happened if you beat the s*** out of Randy again? She knows him. She name is Michael. She doesn't know. No. I guess she's still trying to talk to Is that Is that too cold? There's two time please. You brought all you want, but I guarantee there's at least 20. Probably more do the one that was cutting fruit when we walked in. Did he still come through? No. Did you hear me?

Yeah, I did. They're being super cool now. Did she say that he went to I don't know about Michael? And then I asked Alex and I like can you just call him and tell him we won't search s*** and he lets us just go get Michael. That's all we care about. But if we had a search warrant all the dope, all the guns, all that s*** going to be found. And then she call and I was like why our first where are they from? I was like cuz you're not saying that you said that he was out there. So did you say that? She's like well I didn't say that. I haven't been up there. But he said that like No,

actually no. f***** f***** Danner out there. Is that what the 800 800?

Yeah. Is that one? Harry opened something. He was like open.

What did he say?

Harry. We don't even know if there's open there. We don't even know if there are open.

There must not be that many calls on it. Maybe not. Remember we were just talking about thermal jacks.

Here we go.

Why don't you just take a seat?

Huh? Why don't you just take a seat.

Hey, what is her number again? Brandon.

No, never mind.

Yeah. 2832 call.

She just called me.

What's up Don't worry. You call.

Okay. What's the number?

Okay. What's he saying?

Okay. I'll give him a call. 56 59.

Please leave your message for Sorry. Do it. Hold stomach. Hey% sure that you saw this guy.

Yeah. Uh Thomas is the one who um saw him, but I'll show Thomas right now.

You see that guy? or no.

So, I saw him from the nose up

and then I saw what looked like facial hair on his sideburns.

So, not this guy.

So, I I don't know if that guy has facial hair and sideburns, but based on everything else that we have

Mhm.

we can say that he's up here.

Did you hear him?

I'll talk to him. Hey. Hey. So, when I saw him peeking around. I saw like facial hair like from the nose up. So like on his like sideburn. Um I mean that's it's just a picture.

There's no telling what that guy has for facial hair now.

Um but I think based on everything else that we've been told so far that we can say that he's up here. Um did Masio tell you about we heard them like yelling at each other? So, while we're standing up here, I hear, "Hey, they're getting a search warrant. You need to get out." Um, you need to come out or something like that. Like, you need to And then heard like a a loud bang.

Um, yeah. Yeah. Hold on one second. Just Carlos talk to I'll go talk to you. Yeah, I think uh someone like yelling at each other something, huh? Two people were up there and then Har Getting a search warrant. Get out. Just come out. Didn't even know you were in here. Bang.

Yeah. Let me go talk to him outside. Is he outside?

No.

Yeah. Okay. when and she was like around the I don't know if she walked back there but so you walk past it's like a hallway like a real narrow hallway

and then there's two sets of stairs that go or one set of stairs that goes two flights

okay and then I see his face like here up and then the white guy he's got like like some face layer right here um and he takes off the stairs so we go up there pulled it and then

um we're talking to some guy. He calls dispatch and he's like, "Uh, these cops are trespassing and they're trying to get on my property." We talk to him. He gets angry at us, says, "Nobody's in here. Nobody's in here." We talked to people here that confirmed that there's three other people in there. And then while we're up there, he's like

yelling. He starts yelling at somebody. I'm like, "Dude, they're getting a I didn't know you were here. Get out. Get out. And then like a loud bang. And then um he says, "My daughter told me that he was in in here. I didn't know he was in here. I just kicked the door in and I didn't find him. I'm 90% sure he's not in here." So this hair guy tells you that his daughter told him that Michael's in.

Correct. And then so when we first get here, I'm asking the bartender, "Oh, hey, do you know where Michael is? Do you know Michael?" And she says, "No, I don't know Michael."

Well, come to find out, she knew him under a different name. Um, yeah. And then I asked him if the cops were here from him. He said no. I asked him what your name was. He said Tanner. And then she said that was when we pulled up. Well, when we pulled up, a guy walked out of the bar and then straight back into the bar. And then she was on the phone.

She go, "Well, I guess he came back into the bar."

Okay. Is there a way to get to those apartments from inside the bar?

Yes. Uh, so you go straight back into the kitchen and then when we asked the bartender initially, like right before I saw him,

no. Mark, she told Marcus that's latched. It won't open. And then it swings right open. I go in there and then that's when I see him.

I would say probably four. came out.

Want to go?

Yeah. What's that? Carlos is So

when you see it not

correct.

So how do you know?

So he said that he kicked in a door of another apartment. The guy up there and said I'm 90% sure he's not here. I can talk. So this girl down here with the mask lives upstairs.

We can talk to her. I haven't talked Hurry up.

We don't know exactly which one was in and we can't get a search warrant for just the hole upstairs. Yeah.

There he is. I don't think or any not knowing which one he was in. Yeah, that would have eliminates all. Yeah, that one I saw him.

So, it's a good thing they got him. We wouldn't have been able to idiots and calling us pussies and who are like I hope you guys have qualified immunity cuz I want to shoot the s*** out of you and like

Yeah. Are you going to go look inside?

This guy's all his mouth.

Hey partner, you want to come talk to me over here? Okay.

Seriously,

I got you.

I could have f***** him up.

What's your name? partner.

Mhm.

I was sitting at the bar having drinks.

Incident 2 Transcript: Assault at the Bar Involving 'Lucky' (Different Date)

I was just having drinks and he f***** punched me in the f***** face two times. I don't even know him. He punched me in the face two times and called me a chumo.

Were you just sitting at the bar?

Yeah, just sitting there.

Did he say anything before it?

No. I've never had words. with a he punched me.

No words exchanged before.

Right. Right. And he calls me a chomo. A child molester.

Did he punch you with like a closed fist? Open hand.

Closed fist.

Were they both like right hand, left hand?

No, just his right hand. Bang. Bang.

Where at? In the face. I'm assuming my lips. Lips.

Yeah.

You still call for that? Yes.

Okay. Do you need an ambulance or anything? go.

But I mean, I'm a man, but you know, I come to I come in there and I pay money for drinks.

I got you.

And I don't need to be socked and called a a child molester, a cho out of the blue.

What happened after he called you a cho?

Uh, he he uh uh went in the bathroom.

Was there any words exchanged after or anything?

You just came out here and called us.

I called I came out here Well, the bartender and people told me to leave.

Okay.

Maybe he's a reg regular. I don't give a f***. I just came in here to have a couple of drinks. I don't deserve to be called.

What's your phone number, Luigus?

Okay. It's a Sorry. It's a new phone.

It's okay.

It's a beautiful.

What was this guy wearing?

He's wearing a black shirt says lucky. And he goes by the name Lucky. And he called me a troll. small.

He goes by Lucky.

That's what he says his name is. Lucky.

Black shirt. He's wearing like a hat.

Then it says Lucky on it.

Okay.

Jeans, shorts,

uh Chano older guy. He just I'm sitting at a bar and he comes up to me and just starts socking on me and he goes, "You're a cho." I'm like, "What the f***? What do you mean you're a cho?" I ain't no cho.

I got you.

Did you get that phone number?

Yeah.

I know a cho Why is he and who isn't even going to say I'm a tommo anyway? Who the f*** is he?

I want his ass. I'll press the charges.

No.

What's your address, Lucas?

I'm at right here on the corner.

But he starts stalking me.

So he's wearing a black shirt. What else is Is he wearing says lucky on it?

Okay. What else?

Jeans.

Blue jeans.

Yeah. Dungarees.
Was he wearing a hat? No hat.
No hat.
You said he was Hispanic.
Yeah. With a goatee.
Older guy. Yeah. Goatei.
Yeah. It just just punches me. Calls me a cho.
All right. Do me a favor. Hang out here. I'll be right back.
I'm disabled. I have PTSD.
All right. I got you.
He's traumatizing me.
Give me one sec. Okay. I'll be right back.
All right. I came out here like the bar app. requested.
Thank you.
Are they all back there?
I guess they were going on up there. But um
did I not bully and I turned back around. I saw that the guy had gotten hit. So I crawled
underneath and separated and pushed everyone outside so that way It didn't get even more
chaotic.
Do you guys have cameras?
I would have to get a hold of my boss for access like that. I'm not like a manager or
anything.
Okay, I got you.
I don't believe.
And then where did the other officers go to?
They went over this way, but they should be coming back down. Like I said, it's a it's a
private residence.
Is that where that guy went to? Does he live here?
No. Like he does not live here.
What do you know his real name?
I do not. You just know he goes by lucky
as far as I know. I wasn't even exactly sure who he was when everything had happened. Like
I said, and everybody had paid trash, so I didn't see his card or anything because
normally he keep the
I'm not the manager. I don't have access to that
upstairs. Was he wearing the lucky?
I didn't see him. I think
that would be He got hit.
He got hit.
Yeah.
The guy.
I don't know. They don't.
We don't have video cuz they won't provide it. So,
this ain't your house. Your house is in there.
And we were invited to come in this back area
by the bartender.
You can take that up in there, bro.
Who is this guy?
We haven't seen it.
Just yan.
You got any guns in there, bro?
Suck it.
Yeah, bro. Why you so mean, bro? That's all. So rude.
You're acting, bro. That's why.
Come on out, bro.
Yeah, I was nothing.
Yeah, man. Let's talk face to face.
Does he live here?
Huh?
Supposed.

Are you the one that hit that guy or not, bro?

It was your mom who hit me.

Damn, bro. You're so ruthless. Just chill out, bro. Let's act like adults right now.

I know that's hard for some, but but anyhow, come on out and talk to us, bro. We have to go get a warrant. All that good stuff.

You know you're right. So, I'll let you in peacefully if you do that.

You let you let us in peacefully. You don't want to waste our time is what you want to do, right?

If you're the man, bro. If you're the man, you're getting county charges then. We're not playing.

Whatever you want, dude.

Okay. You the one that hit that guy downstairs, bro.

Your mom. I told you. Big old fat ugly b****.

My mom's not alive, so you should feel bad, bro.

You should go to church tomorrow.

I'm crazy how disrespectful you can be. But

yeah,

we told you to come out, bro. Talk to us like a man. Figure this out. her. She doesn't have access to it.

Who does her manager? Talk to them. I thought you guys

I know. I'm going to go go tell her video like now.

Right now.

Right now.

What is going on?

Somebody got assaulted in the bar. I'm not sure anybody in here.

He said he went in here.

No, he literally went outside.

We're trying to get out here to get some footage cuz they're saying they don't have The guy that hit him went in the bathroom.

Yeah, that's what after that's when he was waiting outside.

Whoever lives in number 10 is

he doesn't know him. It's just completely random.

But he wants to press and you do, you know, go outside. I think he's standing right there.

Just get some photos of his head. He's like in the

There's a hole downstairs. It's a whole big ass basement.

He didn't go down there.

It's like a hole. It's a whole res.

That's what I heard. I don't actually have authorization. Who does it? We need somebody here now who can authorize a camera so we can see you assaulting this gentleman.

Okay.

So, we need a

Well, I can I can give you if you want to come back and write a report. I

We need per like your liquor code and everything. Someone has to be here to access cameras right now.

Okay.

If not, that's a liquor violation.

I mean, cuz I've had issues where they've come back the next day and to remind sometimes that's kind of something We're in the situation with whoever's up there is not cooperative and we need

access. I was just letting you guys know that you got this guy right here. So I don't know. He said he's wearing a black jersey that says lucky on it. Says lucky.

I guess the guy goes by lucky. She called it lucky. If this guy not going to answer through the door,

it all Hey, Sergeant.

Um,

we're here at Seventh Street Station. This

Guess there was some dude inside who got assaulted. He got punched twice in the face. And

um, we've got this guy who went into the back kind of where the apartments are up top and is talking to Proctor and Fifer through the door.

As soon as he super uncooperative as heard us, he ran and closed the door.
Yeah. As soon as he heard us kind of walk in. He ran up there and closed the door.
I look at him.
Um, we didn't see if it was him
or anything. Everyone kind of just knows this guy is lucky.
Um, but
nobody here can give us access to the cameras and they keep trying to call their manager
and then the manager got here and she's even saying she can't access the cameras to show
us if this guy, you know, or whatever.
What's my record? Not right now. No, I can
try and search in ops if anyone has that alias. But
this guy, it was a the guy who got assaulted is was completely random. He doesn't know the
guy. He said, "This dude just came up to me, punched me in the face twice, and called me a
chumo."
And then that's when the bartender said she stepped in and pushed the victim outside and
the other guy stayed in. side.
Yes.
Who the f*** I am?
I I got
And he's got the door shut.
I don't I don't I try to be right. I could have killed him, but I do right.
I'm not too sure yet.
I could have killed him. I could tell.
All right.
I deserve to be treated that way, too. Right. Right. Right. So the truth.
Yes. Yeah. That's it.
I don't need to speak.
Don't take the law in your own hands. That's all.
That's what I did. I don't deserve to be like this. They call it,
right?
Yeah. I just wanted to call you and ask you too about this whole them not being able to
provide any video footage and nobody here that can access the cameras. Oh, I got I'm
disabled.
I got I have everything. You spend money to get soft in the face. I know
and I appreciate you guys. You guys are protecting me. I appreciate you all. All of you. I
think you know what? Hey chill.
I treat people the way I would
I don't need soft people cover it up s*** right here.
They didn't think I would touch him. Look, my dad had a 38 special dairy in his boot.
Okay? My mom, she got drunk. She got mouth.
Five guys beat my dad up. He had a f***** 38. He never took it out. You know why? They
didn't have a
Okay, they're calling you on too, Scotty.
All right, we'll see you soon.
What? just try and figure out cuz you asked to see who was in that room, right? Did they
give a name
in that apartment? Ken,
they we I've dealt with him before.
Do you know his real name?
Is that his name? Ly's name?
No, I don't know. I don't know if they he goes by Lucky. It's something else.
He's coming up here right now cuz he said we might sight the bar.
Yeah. They always run up there and then it's just a problem. They don't want to get
footage. They don't want to
Yeah.
Lucky go older guy probably about 60s go wears a hoodie called Lucky. He goes by the name
Lucky. I could I could have heard it,
but I have a boo punch.
Who does that?
I think in Pablo, everybody's been a twin.

I know.
He said he goatee.
Yeah, he said goatee.
I got How long have you How long have you This dude,
he doesn't know him.
Tonight goes by the name Lucky.
Lucky.
This has a different apartment number, too.
I know a lot of people, too. But that ain't the point. Point is treat people the way you want.
I got that way. I can I can make s*** move. I don't try to try to live right and be free.
I lost 25 cousins in Vietnam. Freedom.
We live a wonderful world. We ain't free. Lot of people died for our freedom.
So that's the way I look at it. You see what you guys do?
Put your likes on the line, too.
Maybe if that's who they saw.
If that's who Proctor and them saw before he went in there.
No, we didn't see him.
Nobody saw him.
No, I was behind Broomman and as soon as he turned that corner, he slammed the door.
Yeah. And nobody can pull up the footage for us right now.
He didn't come out this door. They let him out the side. We just got to get footage of it.
Well,
I just want you to know with Indo, they call me Indo.
Indo here in the in the Indo. Give me a I know you guys.
Here's my card. This is the case report number on the bottom. All right.
All right.
You have any questions for us right now.
All right. Thank you.
I know you're kind of just hanging out.
We're We're going to hang out until we can get some video and
all that kind of stuff. But other than that, if you want to take off or whatever, you can
do
just like you're sitting here having a beer with me. Give me your phone number.
Sock me. I saw you.
I got you. Were you Can you give me your phone number?
Yes.
In case I need to call you.
What' you say?
I just got this phone. So, it's brand new. So, I better off Okay. My number is uh 21. All
right. If I got any more questions for you, I'll give you a call. Okay.
Cracked.
Other than that, you're good to head out. Okay.
My phone drop is cracked, too.
I'd zip your pack up. That way your money don't fall out. All right.
Thank you.
All right, brother.
Yeah. Thank you.
No problem, buddy.
Sorry about that.
I mean, you know, I just come to have beers and I'm happy. I like music. This and that.
And
so, did we figure out who this guy is?
I just said my dad guy named Okay. Um I've never dealt with him. Marcus says he's dealt
with him.
I know we had
I don't know if anyone saw him go into that room cuz I was talking to him.
Yeah. No problem. Thank you.
We have his photo. Yeah.
Did you show the the victim the photo?

He doesn't know the guy.

I don't matter. It's like a show up. Like if this guy's refusing to come out and we can't do a show up, just show him that photo because he just got assaulted by the guy. Right. Right.

Yeah. Just f***** uh See if he can identify. Show him a photo and see if that's our guy.

It's a municipal f***** battery.

Huh?

I can't hear.

See Mile can pull up magically pull it off.

Do you recognize this guy?

Maybe that was I don't know. He looked kind of older though.

He looked older.

Yeah.

So maybe, maybe not. You're not 100%.

I mean, I didn't even want to I didn't even get in his office. I didn't even integrate with him. He just talked me out of the blue. Call me.

Okay. So, you're not too sure if that's him or not?

No, I'm not 100% sure.

No problem. Thank you, sir.

That was his apartment. He doesn't know, but he said he never.

How you doing?

How are you? Good. Good.

Um,

yeah.

Man, in that instance, it's just like if we if he would have walked down street and we caught him. We could bring him to a show, right? Since he went upstairs and he's refusing to come out, let's take a picture.

Are they in the room already?

Where's everybody else?

You don't know his actual name?

No.

I know him as Lucky.

Does he live here?

Does he live Lucky live here?

Yeah.

No.

Who lives in apartment 10?

Uh, that's one of the owners. Um, the owner's son.

What's the owner's son's name?

His last name.

Yes. So, we were able to get video.

Yeah. Yeah. I don't know what happened. We're at 1:00 right now. So, right. 1300 is one or no, that would be that would be 11

12.

But this is just

33. What is a time off on this? Is there like

Well, I must be

Yeah, cuz that's

Yeah, cuz that says 1300. You know what I mean? Which would be 1:00 p.m., right?

Yeah.

No, 1 p.m. start.

Well, he's right there. So, I The time on this is just off.

Yeah. And these are my bartenders tonight.

30 minutes.

Can you two?

So, yeah. Let's try 130 or 128.

Just two exit right here. Right next to the arrow. two where it says one exit.

Two exit.

He swears that that guy came back.

The victim.

Yeah, the victim told me that the guy
I guess I don't know how to fast forward.
Yeah, I don't. Like I said, I didn't even know how to get in this.
Just click the the double arrow. He's still on his own right now.
So obviously he's
I'm going to go see a face
right there. Leave. Yeah. See if we can leave it there. You can just go back, pause it,
and then hit play when it's
Yeah, just hit play and then hit it one more time. The arrow 2x and then just leave it
there. I only know him by love. Kind of crazy how that works.
Yeah.
Well, I only know him by Indian, man. So, when the girls told me, I knew like right away.
That's how it is in the bar business. You know what I mean? Everybody has got a weird
name. You didn't get a look at him when you turn that corner.
So who knows this? Who knows if I lucky? That's what he knows.
Everybody that works here knows him as lucky. They've all said
Yeah. I've never had an ID or a credit card or anything like that.
And I've been here 5 years and it's all I've ever or she said she knows
I know he's the owner's son.
So is that his nickname Lucky?
No. No. No. f*** no. My age. Yeah, I know. He's young.
Yeah. No. No.
I could.
How old is Lucky?
I'd say in his 60s.
Late 60s.
That's kind of what that guy
60s.
I mean, like I said, I've never seen his ID. I've never seen a credit card.
The Indian guy. I'm sorry. I shouldn't
What is What does dad look like?
The owner. He's a tall old man. He's
a picture of him.
What's the owner's name? I don't know. And the sun is

stationing out some. Okay, that's Hello.
They've looking at videos. Your your dad told me to show them videos. Yeah. Yeah. I had to
I had to go up there and get you and you said that the cops were there. So your dad just
said let him on the cameras.
Yeah. I talked to your dad. I didn't know what else to do.
Is upstairs right now?
Yeah. He's the one who
Yeah. Well, your dad's not here, but you know,
he's the one who doesn't want to come out.
Yeah. Yeah. He's on the phone. He was on my phone.
Ask Carrie if he'll come out and talk to us.
They want to know if he'll come down and talk to them cuz they think for some reason that
you're Yeah, they think for some reason
we just want to verify
that it's not him.
All right.
He said he's not coming down. He's sleeping. He's got his kid up there. I can show you a
picture of him.
Yeah.
I mean, pretty old picture.
He's a young kid. He's my age. I mean, he's not this f***** guy. I could promise you
that. That guy doesn't live here. Swear to God. Just so I know, which guy are we looking
at?
We're looking at this old man right here. His name is Lucky.
And then here's the victim sitting next to him. I wasn't here. The girls called me and I

said, "Well, call the cops." I said, you know, tell cuz they said he was bleeding. Also, you have to call the cops because if something happens to him, we're responsible for him. I live all the way in bubble west. So I just drove here to deal with this.

Well, I appreciate that.

All right.

Are they closing out out there? Do you know?

Can you close out everyone's tab and get everyone out there, please? Yes, ma'am.

Drink them up. We got to go.

So, is the time off by that?

It's got to be. I mean, We're still recording. You know what I mean? So, it's got to be right here.

I mean, he's sitting right there and the lucky guy sitting right there.

Okay.

Do you want me to go three times and see? I mean, or just speed it up a little bit.

No. It's the thrill of the anticipation.

Yeah. Right.

See, look. He's talking to him.

There you go. Right there.

All right. Can you one pause? Yeah. See, save it right there.

Can we just go back like a

little before that and play it where it's the smooth? Can you zoom in? Is there a way to zoom in?

So, they're pretty stationary. You know what I mean? Unless we move up. And actually, I just took these ghosts down the other day cuz we couldn't see anybody when we were Okay, here he goes. He's getting up.

All right, maybe he's going to the bathroom. He comes back cuz he faced him yesterday.

Let's see what happens. But it's right here. I'm sorry. No, that's not him.

Yeah. So, it might be when he walks back this way.

I was Those are 25. It takes forever.

I'm making up. Okay, here these people are saying goodbye to Henry shortly after this left. Turn left. Turn left. Turn left. Turn left. Not even going guys. Is there any way we can check that

camera right at the front door where it faces in?

Let's get a sign. We could do that.

Yeah, it still look at that door.

Yeah, just wait. Oh, what? Sorry. You guys should get break it down up there. Probably come down. Okay. Roy. What's up?

Oh, that makes sense. I don't want to There's one that faces directly like kind of where they're at. That's probably a good one. Oh, wait. Okay. What do you mean? No, no. I think it was like \$20 that he had on there.

All right. We could just keep it on that one. See where Lucky goes. Hey pups na just showing them finally found the area where Lucky hit him. They wanted to know Ly's real name. Do you know Ly's real name?

That's what I told them. alone by Lucky. So, I don't know. They want I showed them what they wanted and now they want more.

I don't know. I don't know. They want to see where Lucky goes. They think he's upstairs cuz here he won't f***** come down here and identify himself.

No, I already told him he was going to head out.

Yeah, I kicked those guys loose. I figured we take care of it from here.

I'm just waiting to see my cuz he's still on the camera.

I told the girls went outside

if he ends up going outside or he ends up doing.

Yeah, they want to see where Lucky goes if he leaves.

And then

I'm like I He's not in here. Look, he's still right there. This is 10 minutes later. Yeah, he's still looking right here. He took his jacket off. Yeah, his jacket's off. You know, I'm They want to see where Lucky goes. They think he's in the bar, so they want to watch this camera to make sure he leaves. Yeah, we won't, you know, won't let him up there. I'm

like, f***** don't slack. He f***** sat there and looked at this man like he was going to do it. It was intentional. We'll talk about it. We'll talk about it. There's There's Jenner right here next to me. It's a f*** type of s***.

Is there another There's two other cameras that actually point right down at Lucky to see if we can get a good picture.

Those are They're not I'll show you when we're done. They don't hit. There's Some of them are decoy cameras. Like they don't run if the lights on.

Looks like he might be taking off actually right here.

I told them to get everyone the f*** out of here. When they called me, they're they called me and I said they need to f***** leave and call the cops.

Yeah. He goes, I mean, you know, he's leaving right there.

Yeah.

Cool.

Okay.

See, and then these cameras are like I mean, you know, like there's the bar. This one would be the best camera to see it through. These other two are like decoys. If the lights not on in the front, the girls don't go this. If the lights's not on, it doesn't work. You know what I mean? There's a certain light that makes which we kind of, you know, I mean, we don't need all of our employees knowing all of our cameras are.

You know what I mean?

Yeah.

So, it's just for our protection, but is that everything you needed?

Yeah.

I mean, like I said, lucky. I don't know. You know what I mean? I'm very sorry. I do have issues with that man, and I would like him trespass on my property because he was lucky.

No, the the victim

because he does come over here pretty f***** up and he is like uh like very agitated when I tell him he has to he came over here the other day. His pants were pissed. I one of the bartenders at Twin Outs called me and said, "Hey, the Indians coming over. He's pretty f***** up. You know, I'm just giving you the heads up." So then I watched him walk over. He had piss all over. Told him trespass.

Yeah. He sat on our porch.

For a good half hour and I was like, "Dude, you got to go." I didn't want like property even though I trespass form. We'll fill it out. Are you familiar with

Yeah, I am. Oh, yeah.

I mean, we I've been here 5 years. I understand. You know, so we'll we'll have them fill it out.

Are you guys going to leave?

He just needs to grab if he can come back in. He's just going to grab a paper and then he'll be coming back.

I'll wait by the dark room.

Okay.

Um, is he allowed to come in?

I'm going to let him go get paperwork and I'll stand by the same one.

Yeah.

Yeah.

Yeah. Yeah.

You know what's his name?
